Dear Victoria:

Johnny and I just wanted to express our sincere appreciation for your assistance in getting our Mother's will probated so quickly so that we could proceed with the sale and closing of her home. The closing did occur on August 19<sup>th</sup>, and everything went very smoothly. Your willingness to talk with us on August 2nd over the phone, and then meet with Johnny the next day at the DeKalb Courthouse to start the probate process was above and beyond our expectations. I will share with you that the closing attorney gave you a huge compliment for making this happen. He said he had never seen someone "walk this through" as quickly as you did, and he very much appreciated what you did also.

Please feel free to share this reference letter to any of your potential clients. When Mother was still with us and we started working with you back in 2005, you always demonstrated professionalism and a real concern to assist my Mother with issues that we were dealing with at the time, as well as concern for Johnny and myself to understand the processes that we were going through. It has been a pleasure to have met you and work with you over the past few years.

Sincerely,

  
Johnny Jones
